Subject: Changes at Lourdes Industries, Inc. (DUNS# 002042547)

I am pleased to announce the following changes to our Quality System.

ISO 9001:2008 & AS 9100 rev D Registration

- Lourdes has been ISO 9001 & AS 9100 certified by UL/DQS since 2005.
- On August 4, 2017, NQA, USA audited our company and found our Quality System to be in compliance and became our certifying organization.
- Lourdes was awarded **ISO 9001 & AS 9100 rev D** registration on December 8th 2017 by NQA. Our new registration certificate (16839) is posted on this web site.

Quality Systems Manager

- Name: Gerard Wandel (Gerry)
- Tel: 631-234-6600
- Email: Gerard Wandel (quality@lourdesinc.com)
- Mr. Wandel comes to Lourdes with over 30 years of quality experience in the aerospace sector. Building on a BS and MBA he has participated in the Long Island Section of ASQ as Chairman & Education Manager for courses provided by ASQ. He is computer literate and has achieved certification as a DQR for companies he has worked with.

Engineering Manager

- Name: Richard Stevens (Rich)
- Tel: 631-234-6600
- Email: rstevens@lourdesinc.com
- Mr. Stevens has been an integral part of the Lourdes Design and Development team for over 25 years. Richard holds a BS in Mechanical Engineering and is an expert in developing designs using Computer Aided software programs. He is a key member of our management team reviewing customer designs for producibility and developing new designs to help expand Lourdes product base.

Contracts & Purchasing Manager

- Name: Michele Gampel
- Tel: 631-234-6600
- Email: mgampel@lourdesinc.com
- Ms. Gampel has replaced Mr. Christopher Petrone's position effective Jan. 19, 2018. She has fifteen years' experience in management of both commercial and military requirements such as RFQ's, FAR, DFAR's, MRP, ITAR and EAR export licenses. Ms. Gampel holds an Associate's degree in Accounting, a BA degree in Education and a Master's degree in Business Management.

William J. Jakobsen
